Having the time to share an amazing wildlife moment, alone with your partner, reconnects us to what matters most in life.

Enjoy adventure filled days of wildlife viewing, bush walks, an afternoon massage and sundowners before enjoying a romantic private dinner on the deck of your suite, in a library or wine cellar, around a fire or under the stars. Savouring the best food and wine, while a night-time animal chorus from the African bush surrounds you, rejuvenates. You may even find a bubble bath and a bottle of bubbly when you return to your room for the night!

The Spa's will pamper body, mind and soul, offering authentic holistic experiences.

Make the choice to sneak away and share treasured safari moments in the wilds of two of Botswana's most stunning and remote wilderness areas, creating lasting memories of just the two of you.

DAYS 1-4 DUBA PLAINS CAMP, THE OKAVANGO DELTA

3 nights at Duba Plains Camp in a luxury tent on a full board basis.

Duba Plains Camp is a wildlife connoisseur's getaway to the Okavango Delta. Built on a wooded island, connected to the prolific wildlife area by an elaborate set of bridges, the camp is the base of many famous wildlife documentaries by National Geographic filmmakers Dereck and Beverly Joubert. The intimate camp consists of five traditional-style tents and the 2-bedroom Duba Plains Suite. All sit on raised decking, each with views of the surrounding floodplain and the steady stream of wildlife parading past. Each tent has a lounge area, a private veranda, beautifully appointed en-suite facilities consisting of flush loo, double basins and indoor and outdoor showers and luxurious baths.

Guests will be able to enjoy their own private plunge pool and outdoor under cover sala/day rest area. The main area consists of a large raised dining room, and a comfortable lounge with private dining areas, wine cellar, library, and chef's kitchen with ample space for guests to either find a privacy or come together. The camp's centre-point is the gathering place of all bush experiences, the fire place on an extended deck into the swamp. Duba Plains' Toyota Land Cruisers are aptly named 'Swamp Vehicles' due to their extra-high suspension and absolutely huge tyres uniquely designed to traverse the floodplains. Duba Plains offers Botswana's best land safari as well as an Okavango Delta experience, from wildlife viewing and birding or fishing from the boat, to walking and exciting drives with knowledgeable guides and friendly hosts.

DAYS 4-7 SELINDA CAMP, SELINDA RESERVE

3 nights at Selinda Camp in a luxury tent on a full board basis.

Set in one of the most pristine wilderness areas left on our planet, the brand new Selinda Camp rests on the banks of the Selinda Spillway, as it enters the Linyanti River. The private 130,000 hectare Selinda Reserve boasts elephants by the thousands, regular sightings of the Selinda pack of African wild dogs as well as the famous Selinda Lion Pride recently feature in the National Geographic film "Birth of a Pride" by Dereck and Beverly Joubert. The area has a sense of remoteness, a true spirit of Africa, and is a great example of Botswana bush embodying a variety of species and rare animals.

The new Selinda Camp represents the meeting place of three cultures; European, Mokololo and Bayei and is themed to resemble that of the thatched village of Sangwali, one that used to house 3,000 warriors and sufficient enough to loan David Livingstone 200 men during his travels.

Spears, shields and an African version of Robinson Crusoe is the enduring theme through the camp, and its architectural design elements center around Water, Air, Earth and Fire, all of which ground the design.

Selinda Camp's design pays homage first and foremost to Water, with splashes of blue and crystal-clear swimming pools offering views over the equally immaculate Selinda Spillway to ease your arrival, usually by boat.

The billowing silks, which adorn the ceilings of the lounge area, are a tribute to Air and the afternoon breezes that ripple the endless sea of nearby grasses.

Earth is represented in the cornucopia of home-grown meals lovingly prepared in our kitchens, fresh from the earth, and the bright flames of our evening Fire complete the ethos of being in harmony with nature's natural elements.

The camp has three expansive guest tents, each covered under thatch and with large en-suite bathrooms, large private veranda and private swimming pool. Each guest tent is unique, designed with its own colour palette and theme. There is in some cultures a fifth element, 'metal', which is also incorporated into the design. Every space enhances what Livingstone would have had, what he would have travelled with and found. But beyond that, we go back to the Robinson Crusoe feel, including textures of rope, rooms under thatch, hammocks, lots of space, nautical elements and salvaged wood.

In addition to the three main tents, the Selinda Suite (like its fellow Zarafa Dhow Suite and the Duba Plains Suite), consists of a two-bedroom tented villa. The Selinda Suite operates exclusively, as guests enjoy their own private vehicle, safari guide, chef, manager/butler and entrance to their residence.

The safari drives, walks, boating, tracking, birding and other bespoke viewing activities are designed to place you in front of the best wildlife the area has to offer for a unique one on one life changing experience, from leopards to elephants and hippos and aim to tick off as many as the 200 or more bird species in the area.
